

Algorytmy i Struktury Danych

Lista 5 - wykresy dla tych ciekawszych algorytmów

Na wykresach oznaczone są:

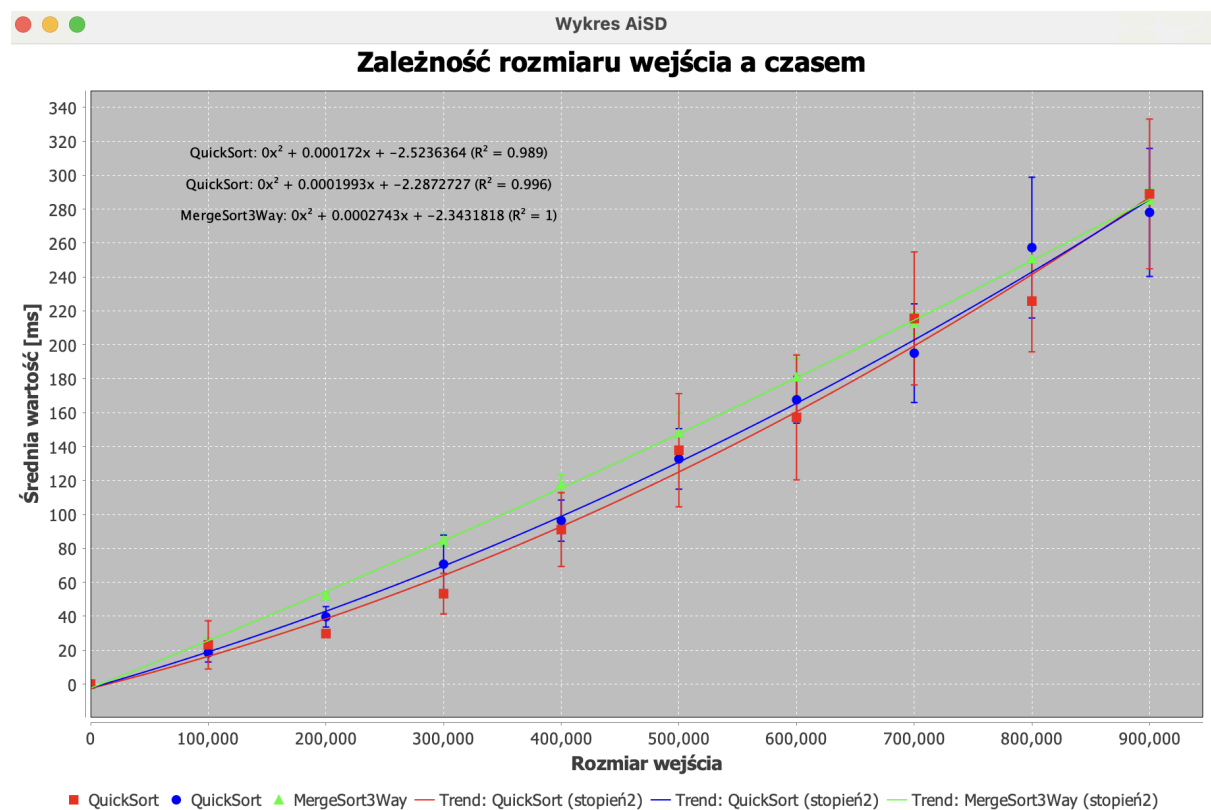

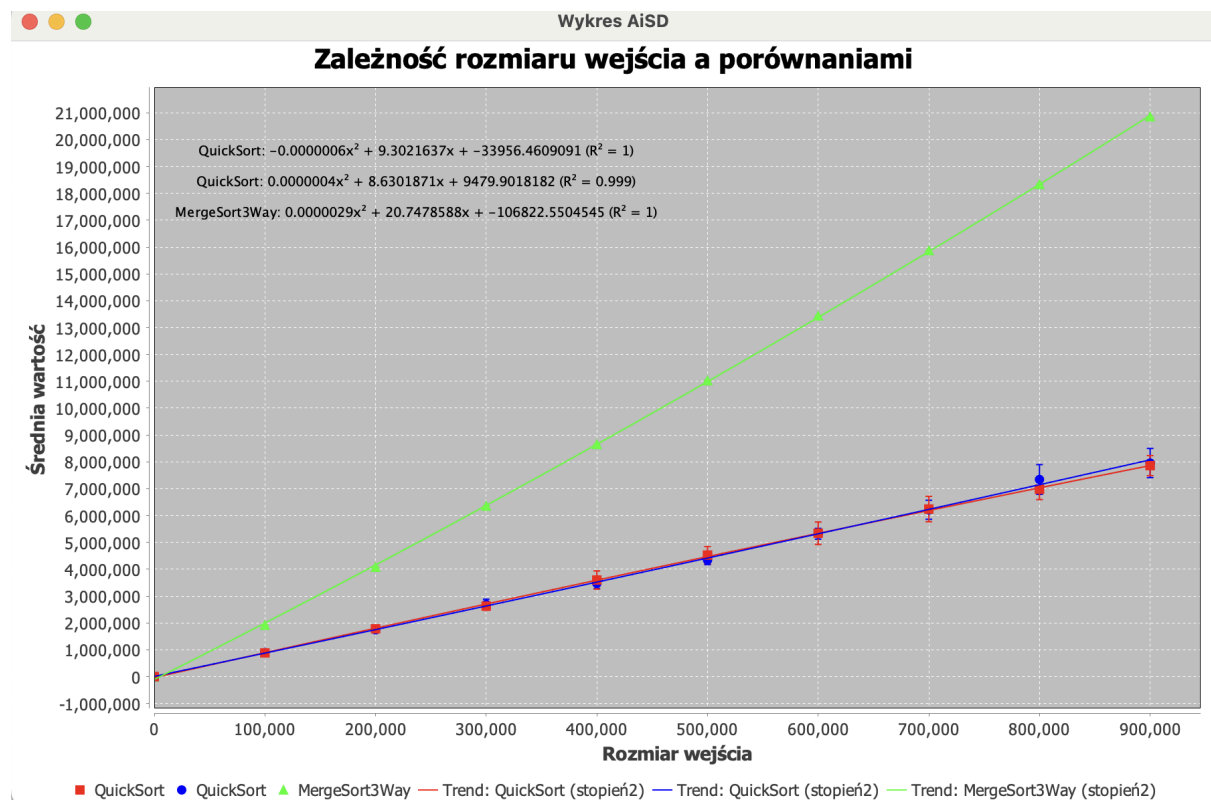

Quick Sort z FirstPivot

Quick Sort z RandomPivot

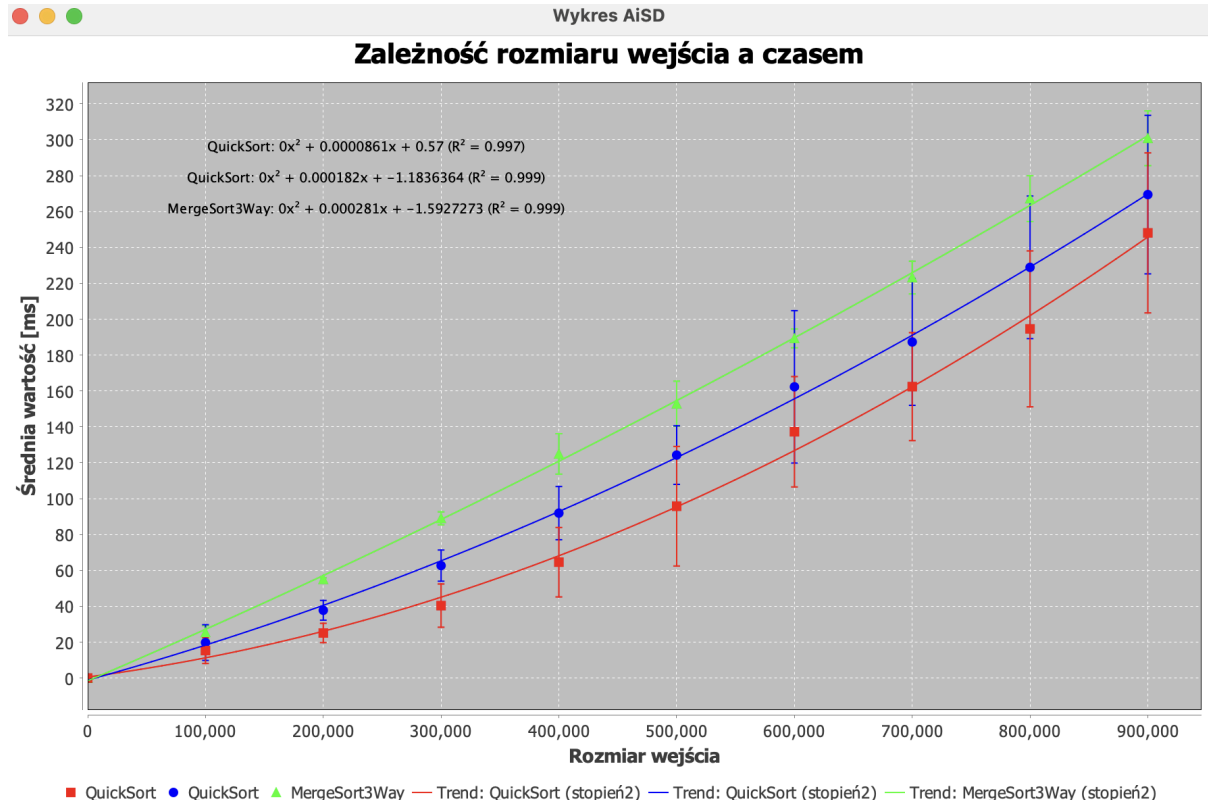

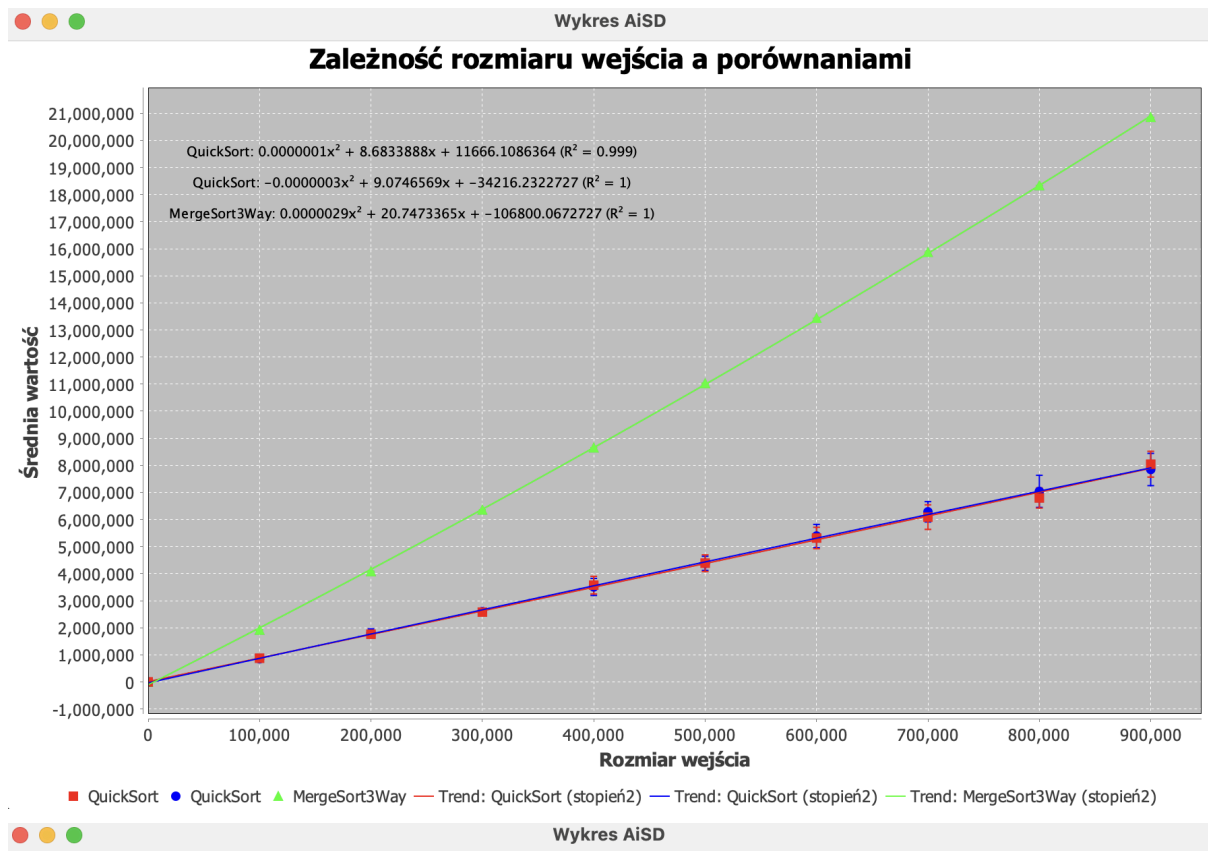

MergeSort na 3 części

Chyba że opisuje inaczej - wtedy to wskazuję!

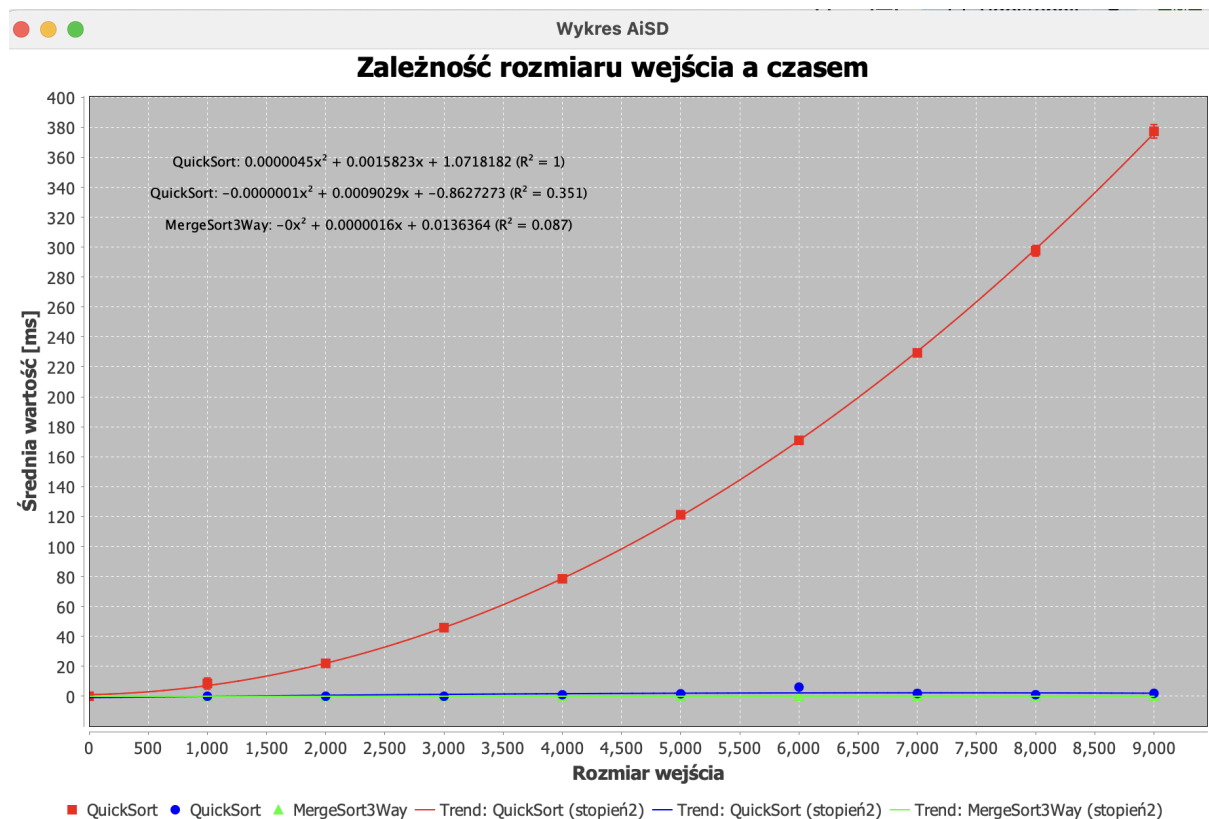

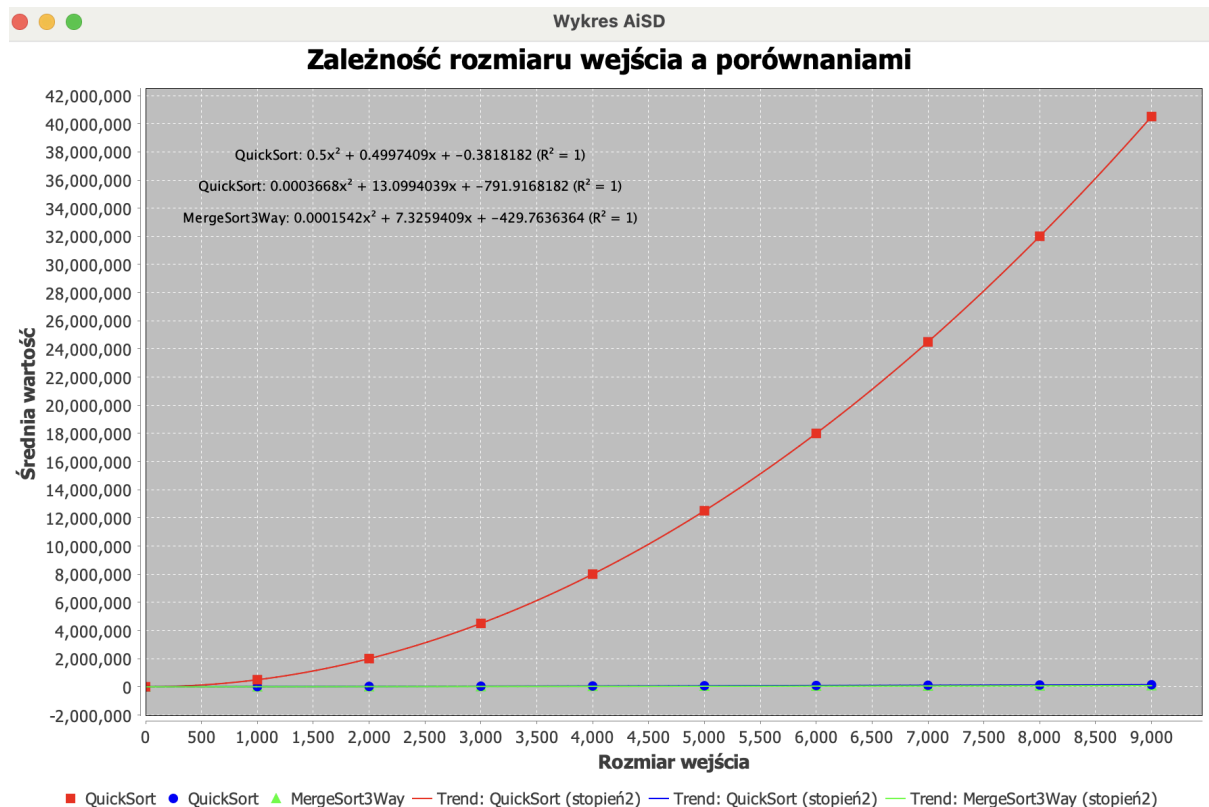

RandomInteger

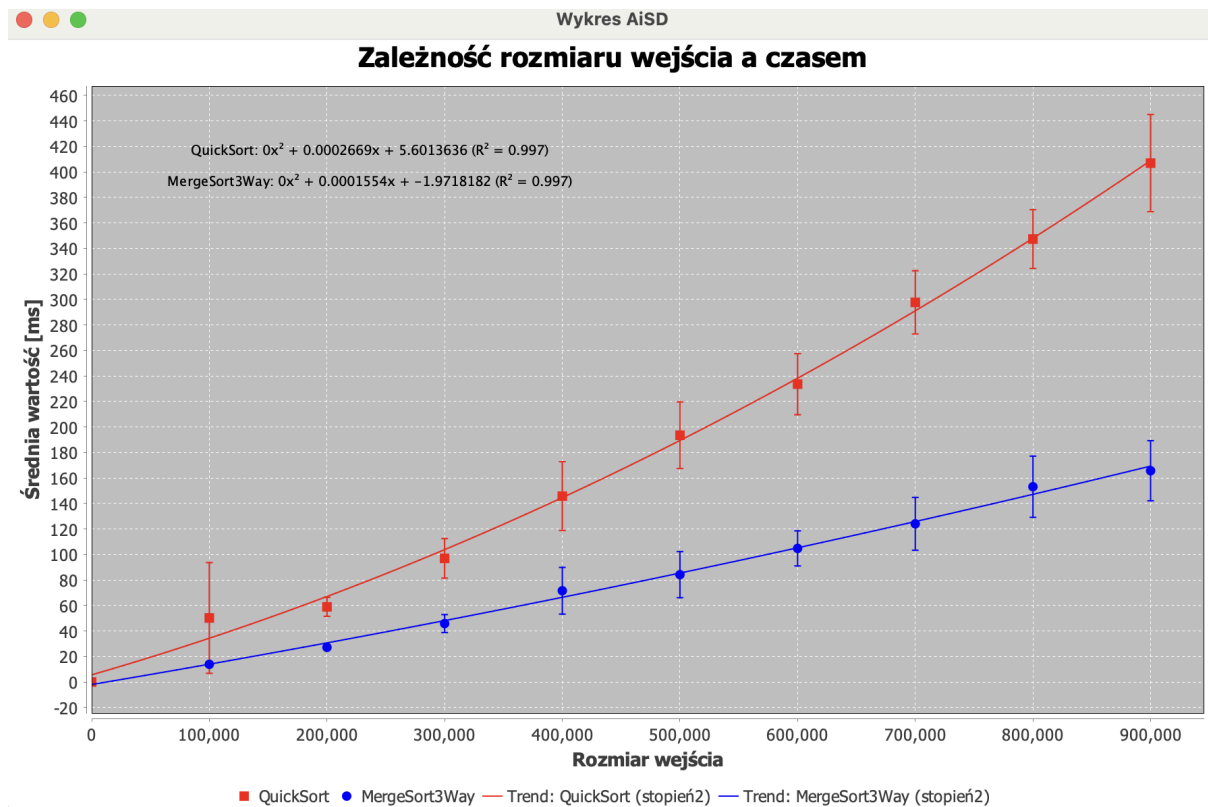

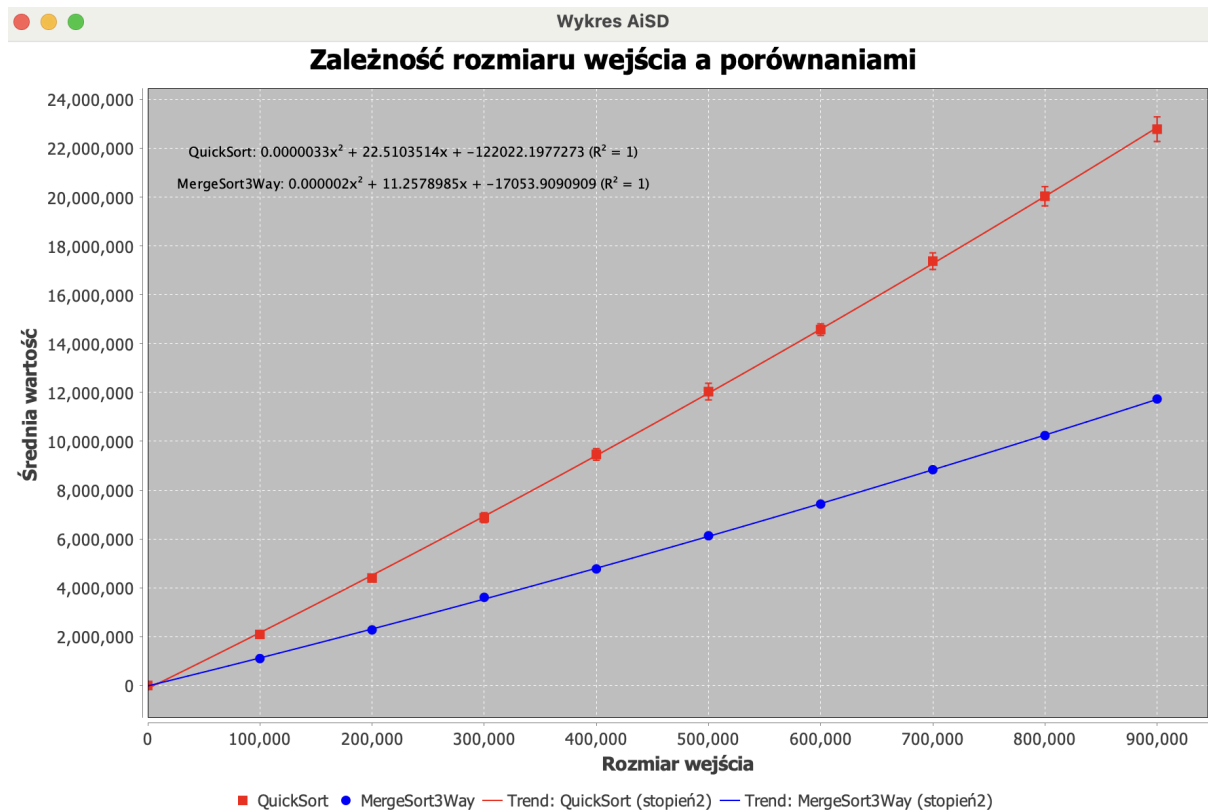

RandomInteger dla LinkedList

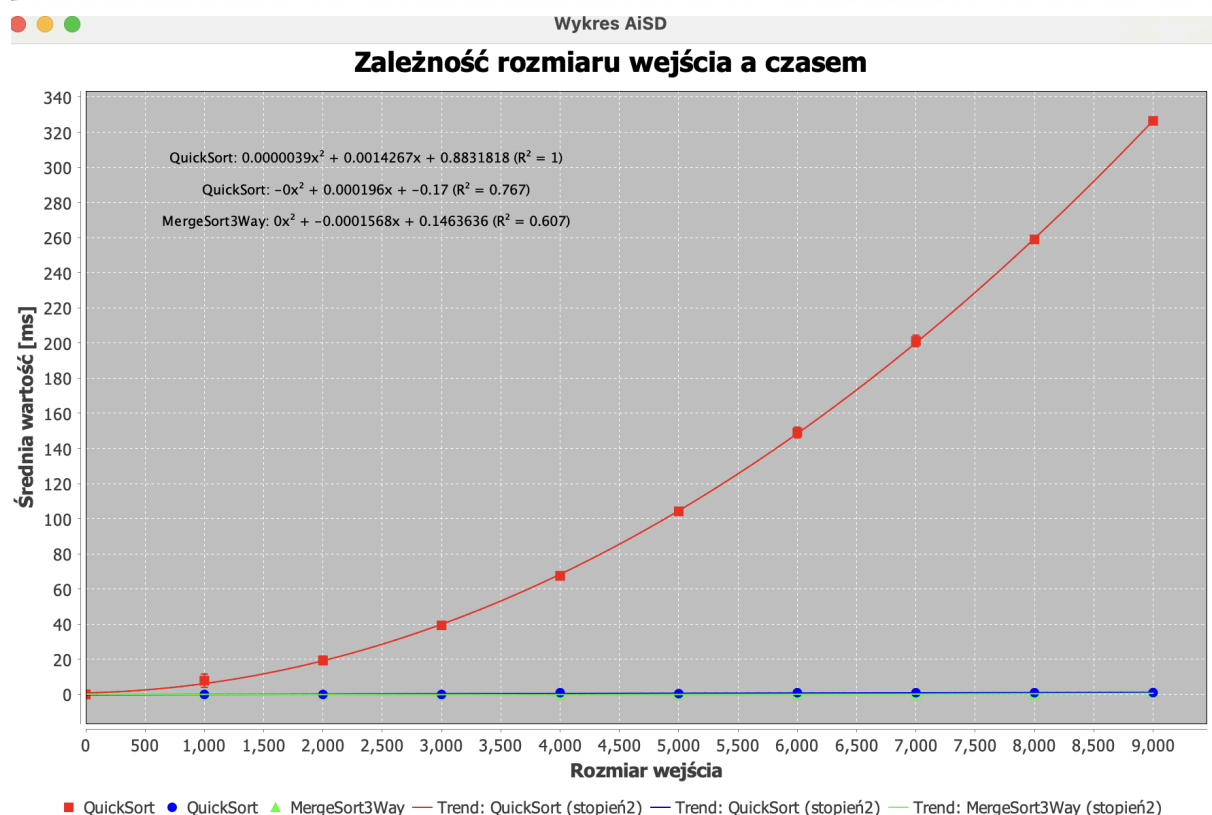

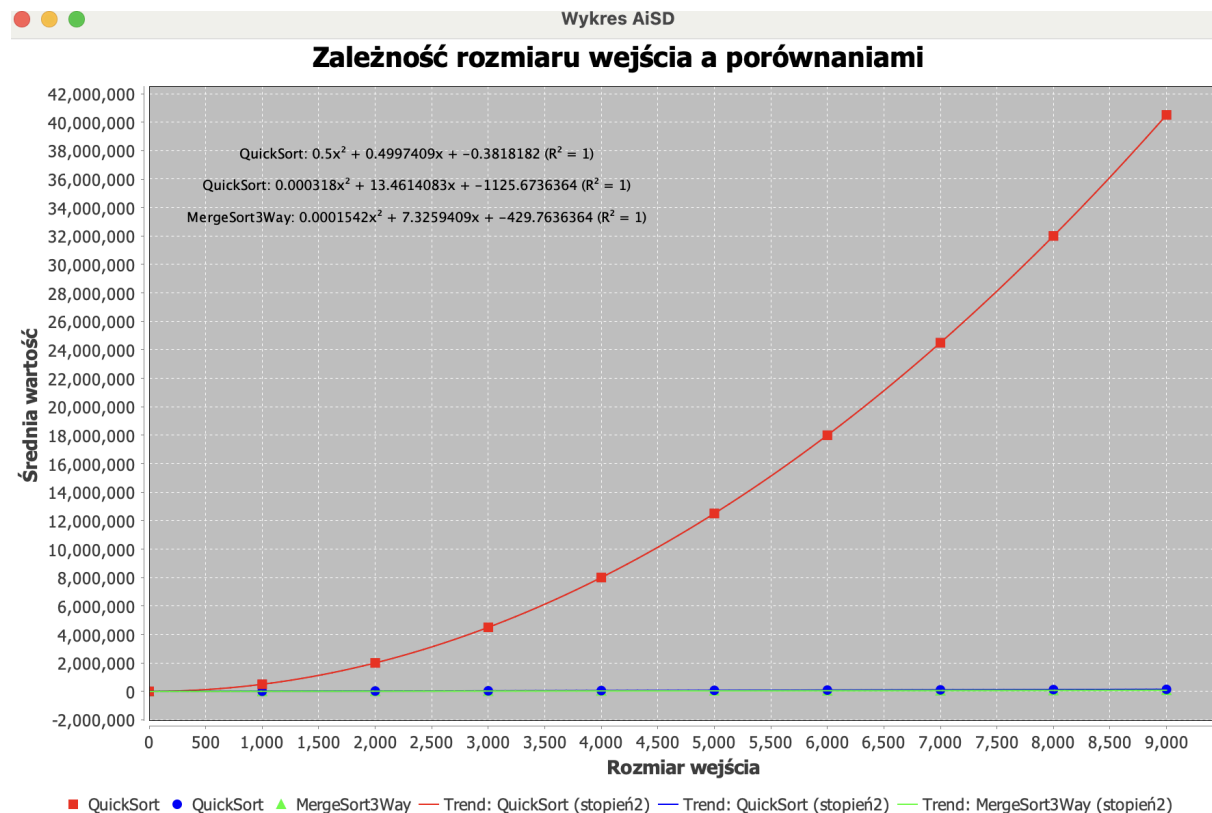

Dla reversed generator

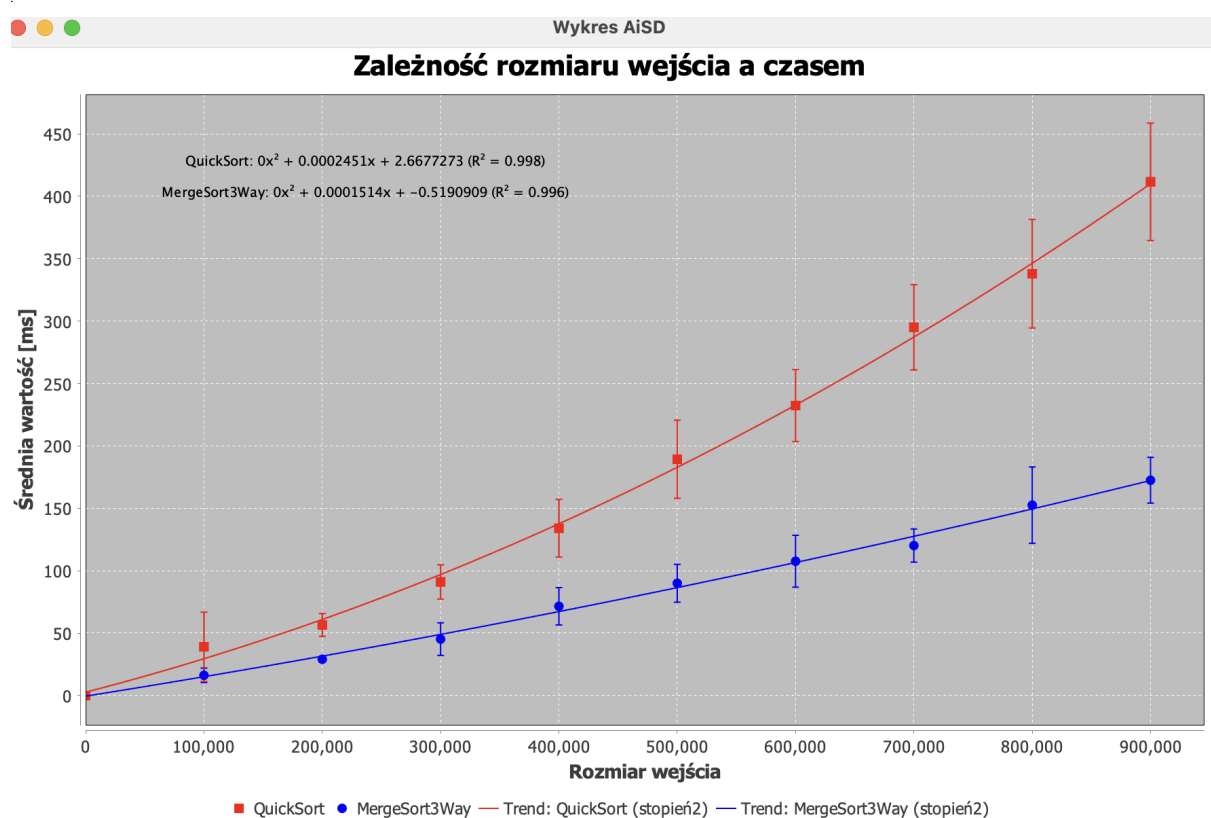

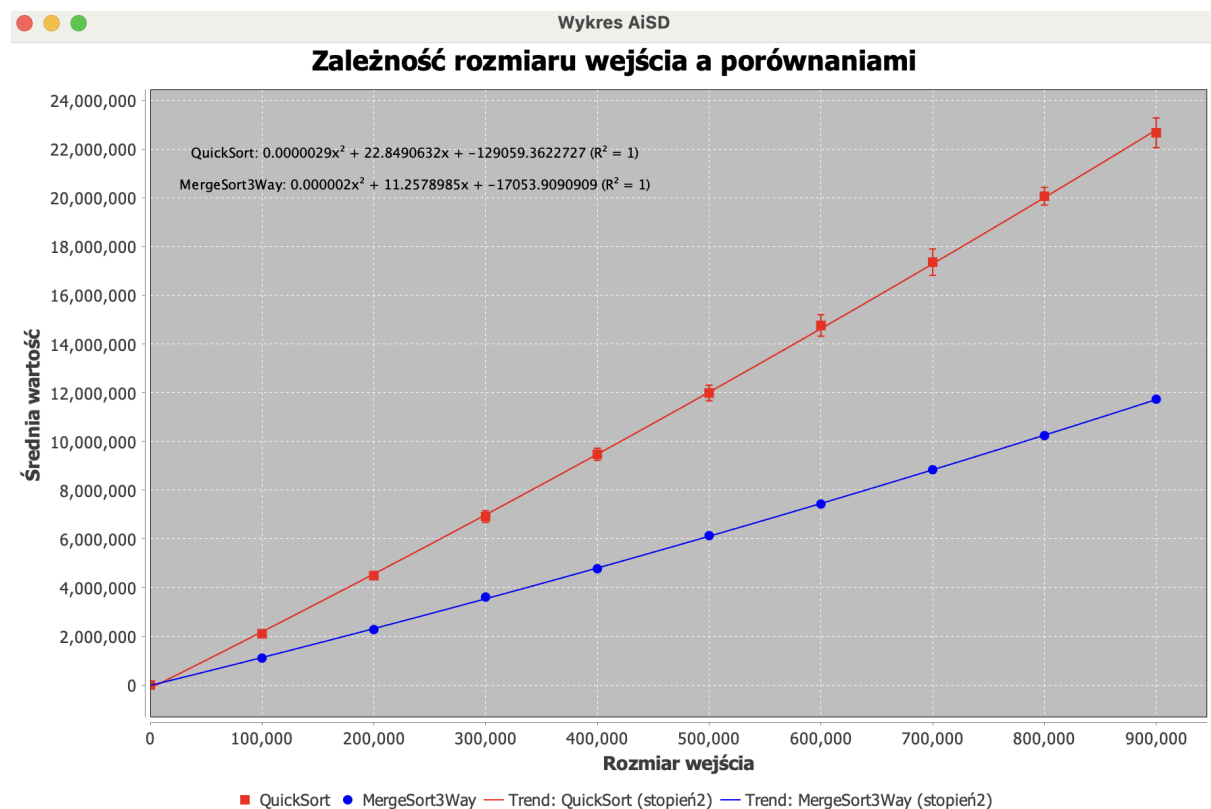

Reversed generator dla random pivota i merge sorta

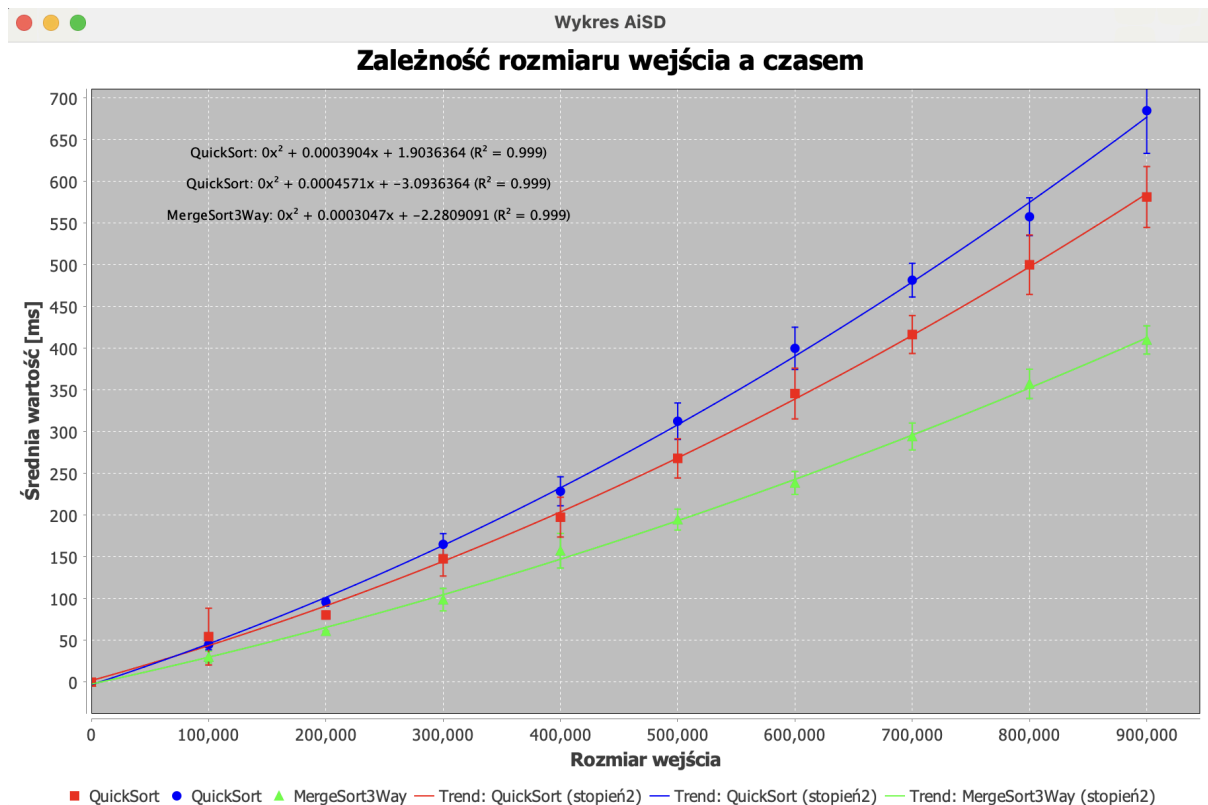

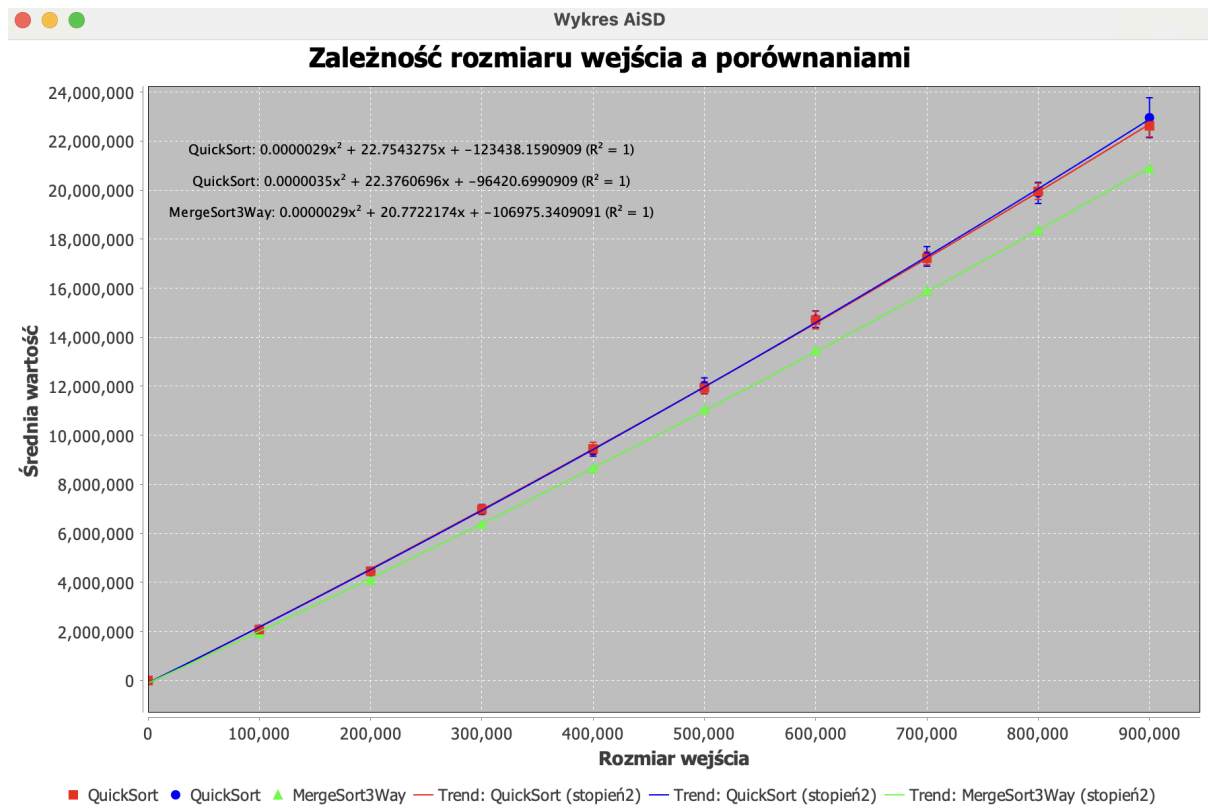

Dla reversed generator linked list

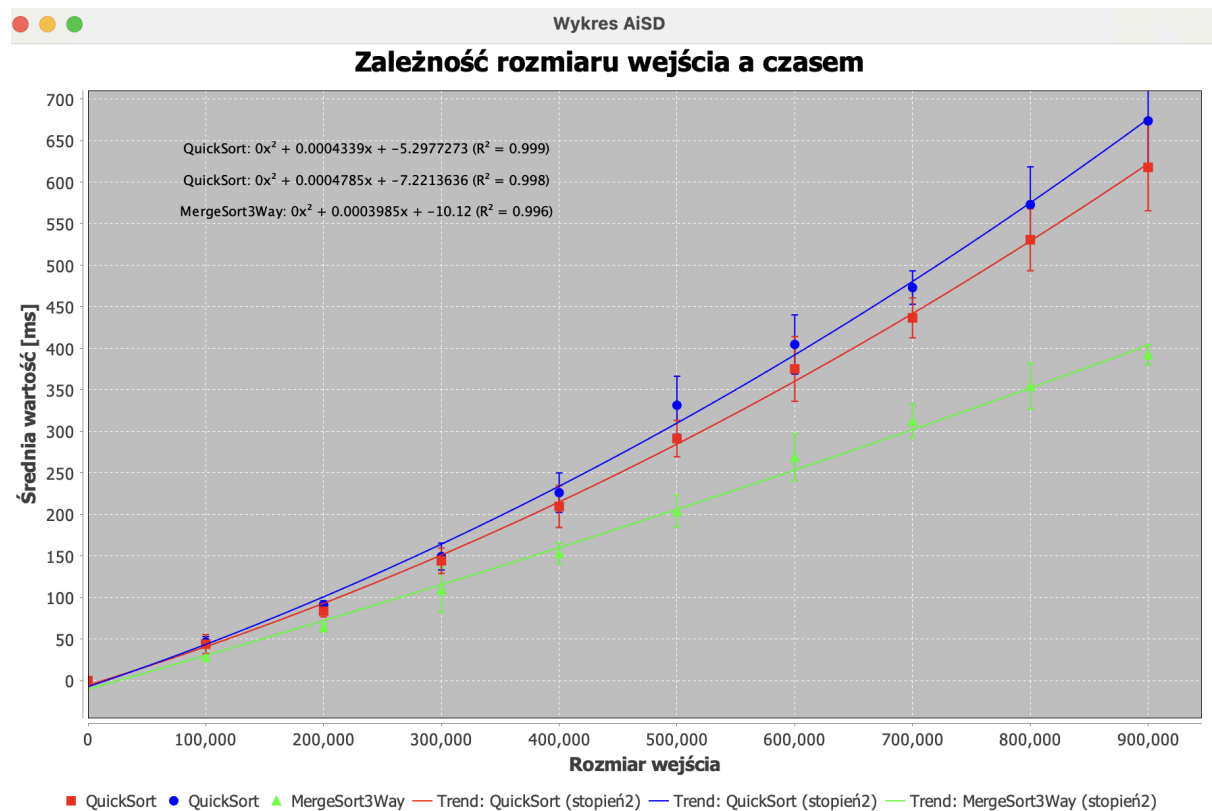

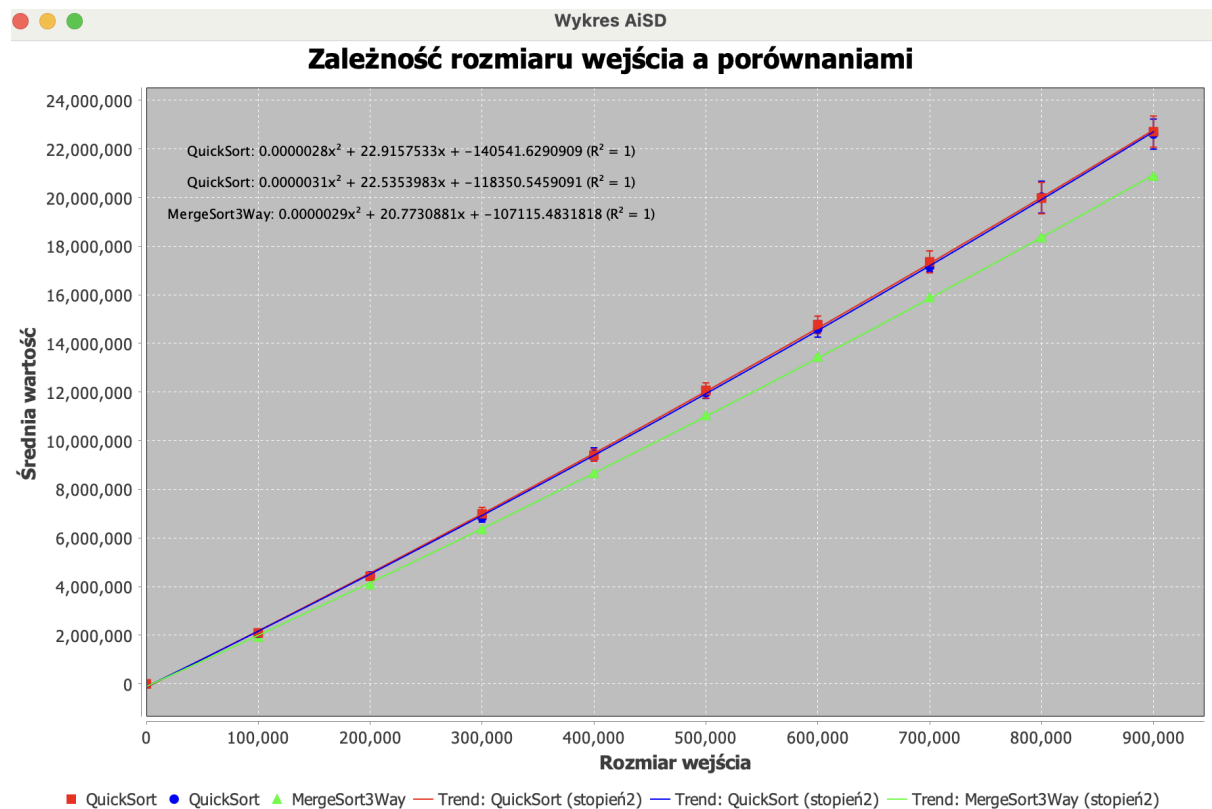

Reversed generator linked list dla random pivota i merge sort

Shuffled generator

Dla shuffled generator linked list

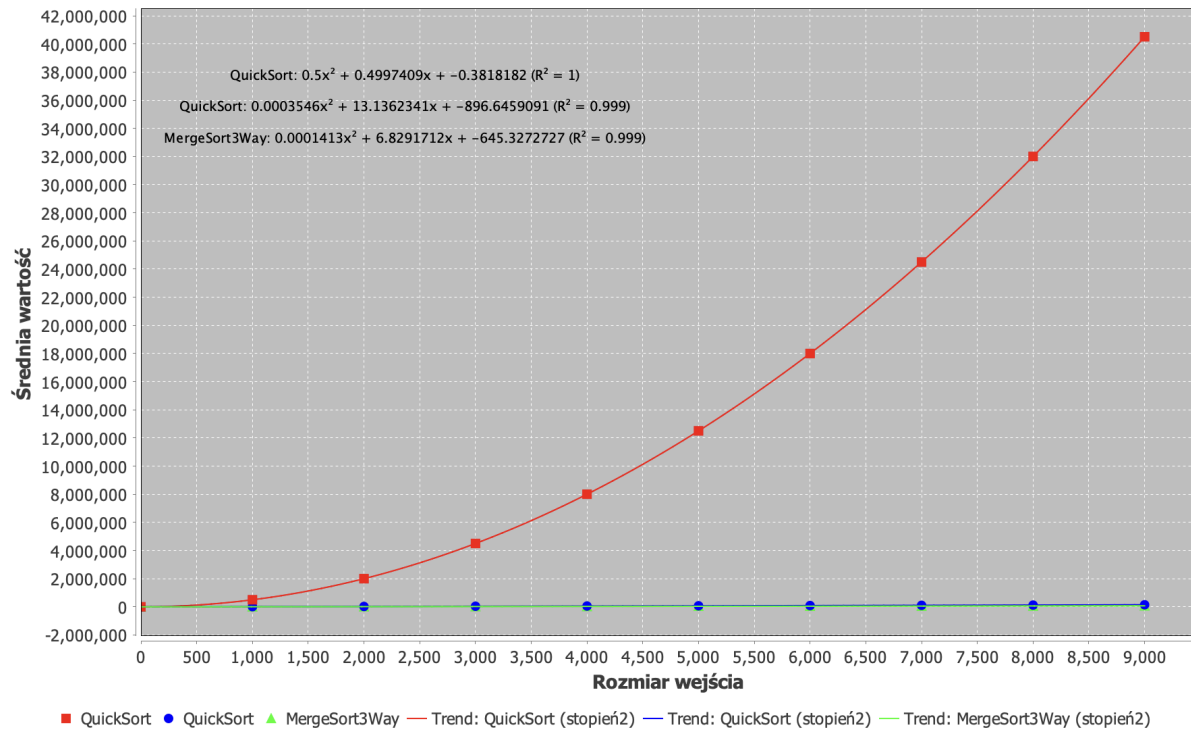

Ordered list

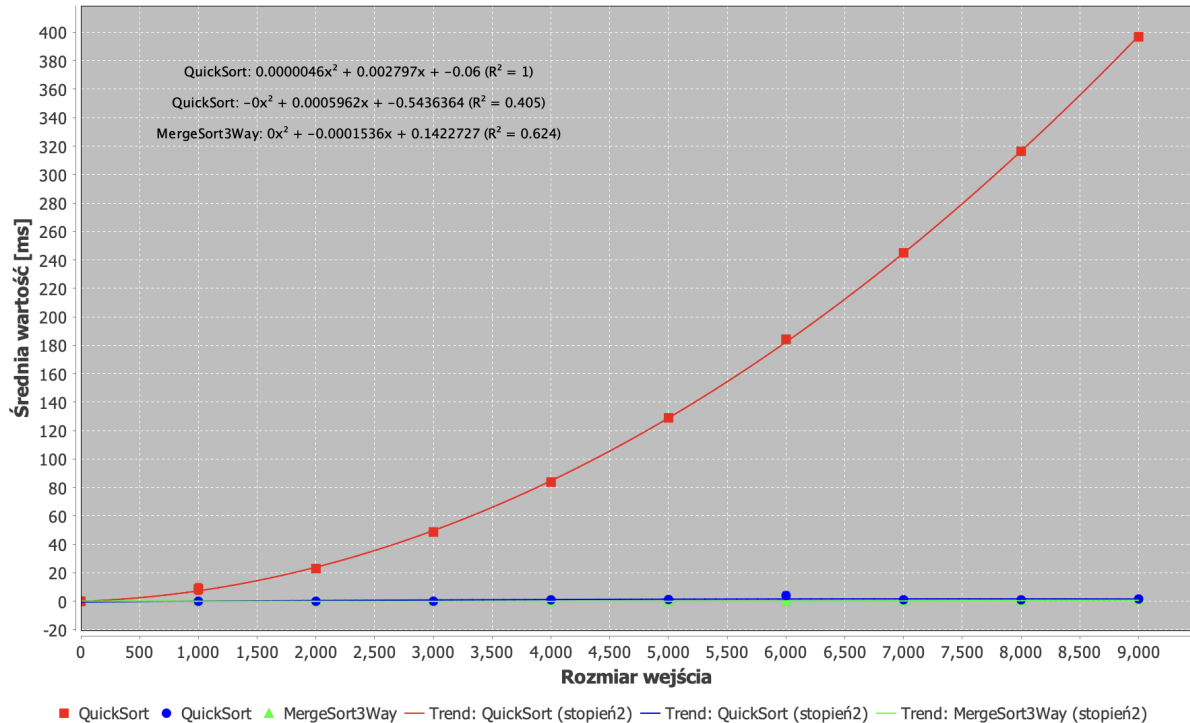

Wykres AiSD

Zależność rozmiaru wejścia a porównaniami

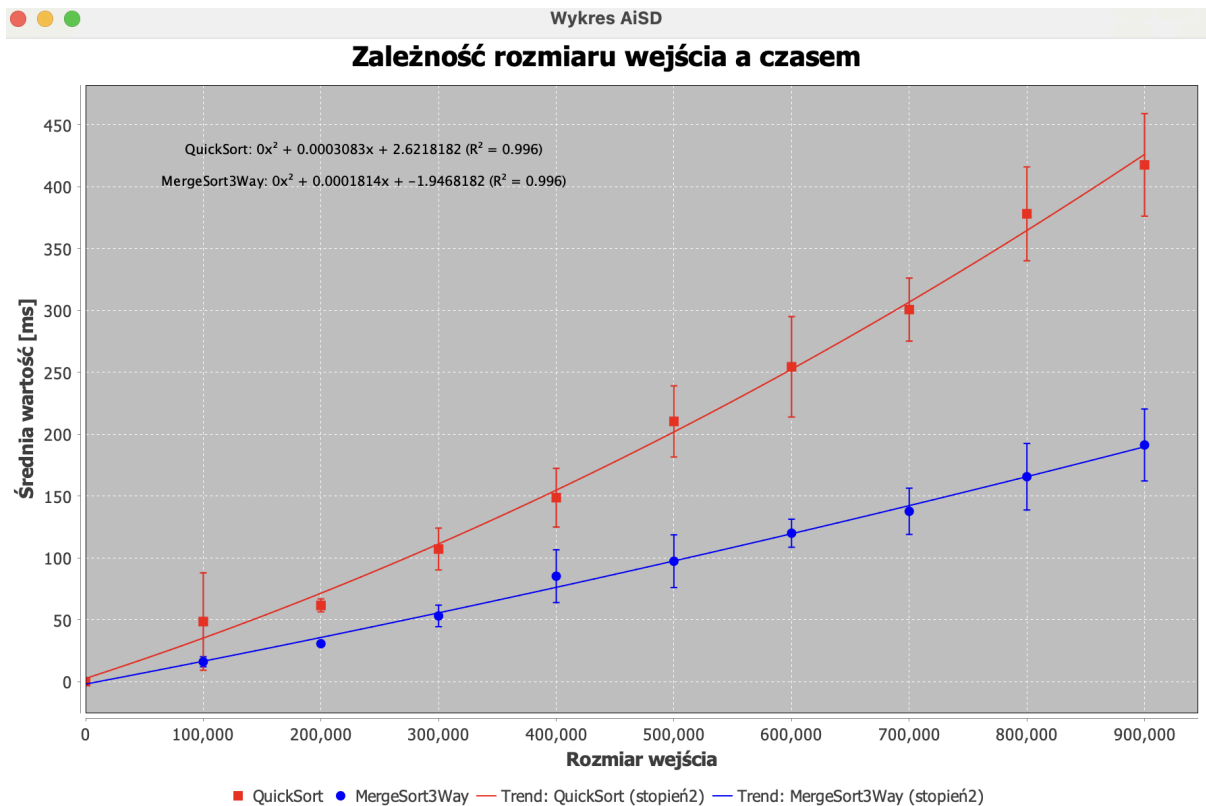

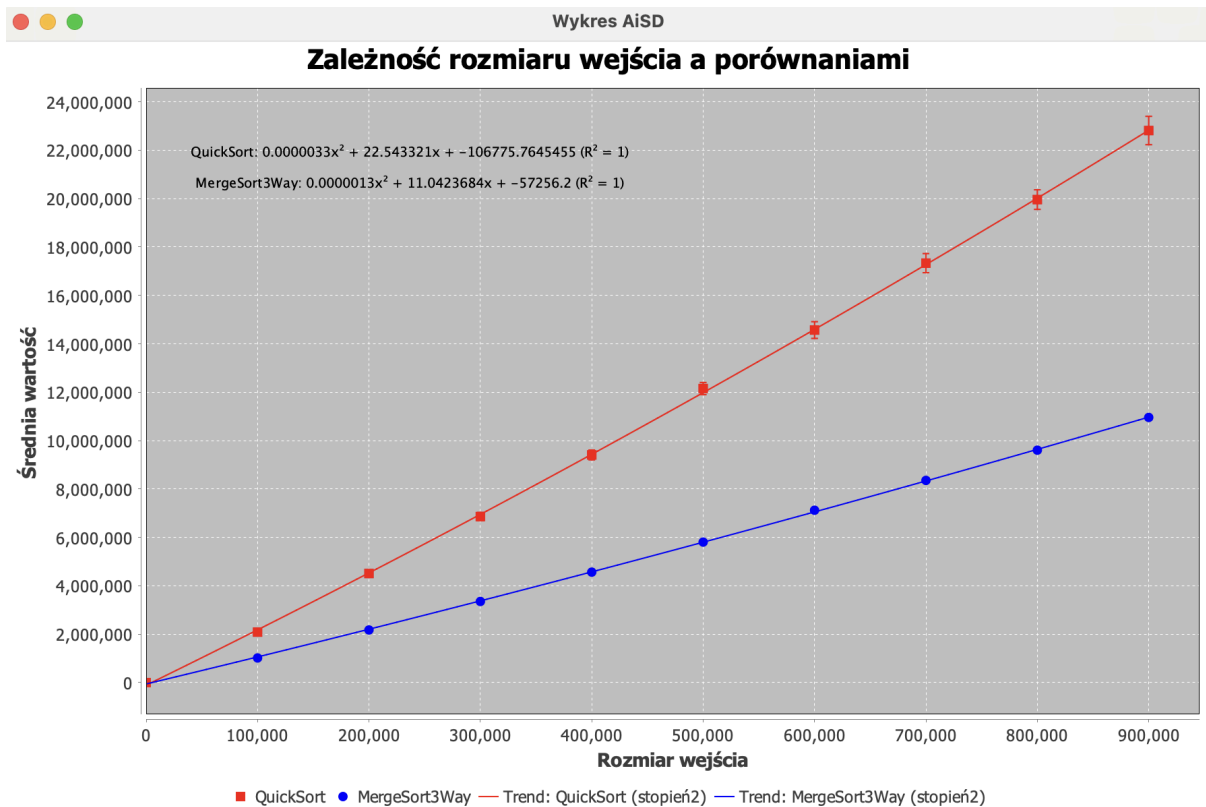

Wykres AiSD

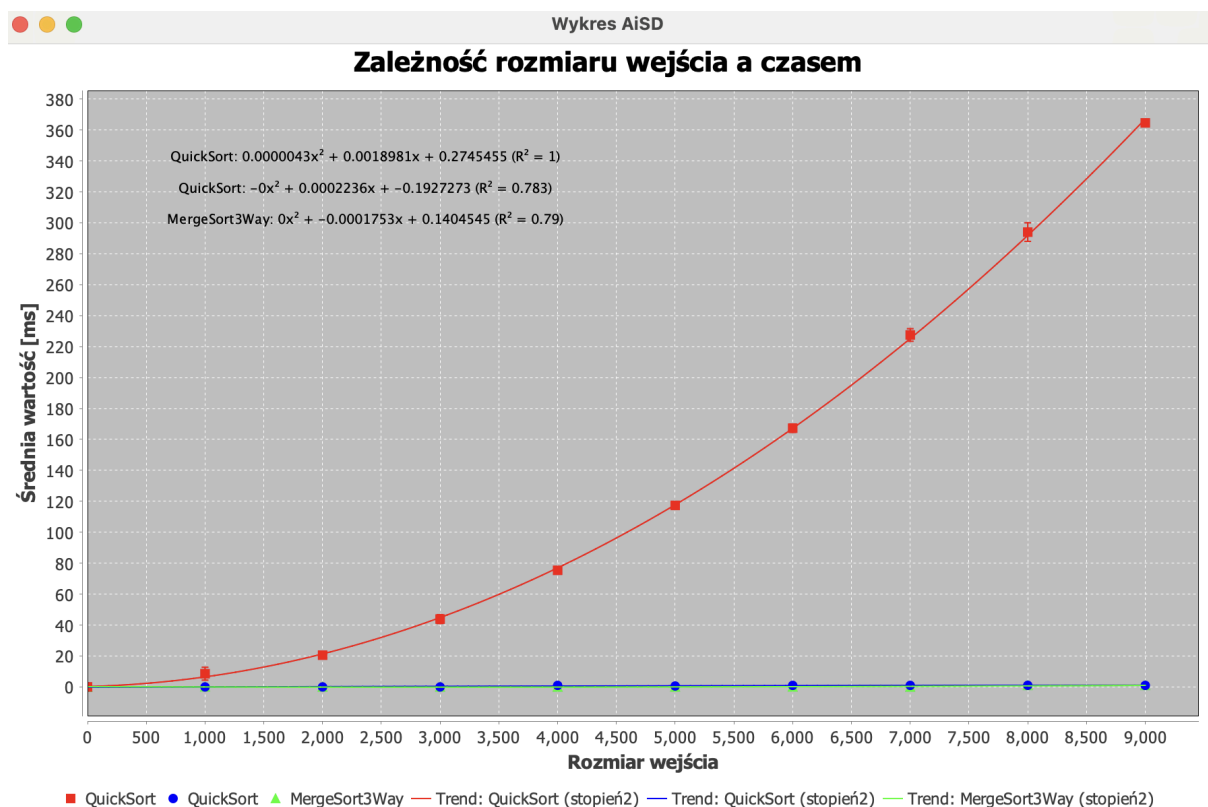

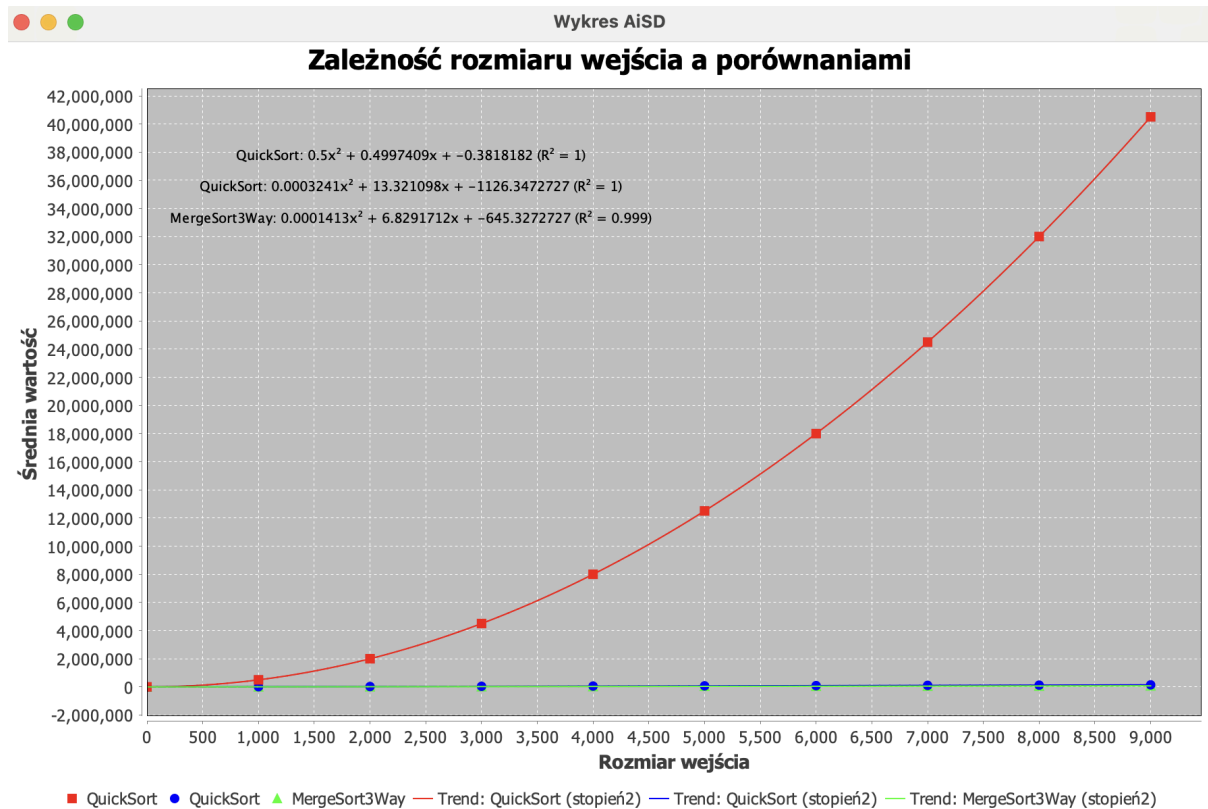

Zależność rozmiaru wejścia a czasem

Ordered list dla random pivota i merge sorta

Ordered list dla linked list

Ordered generator dla linked list dla random pivota i merge sorta
